### **Africa Adventure Consultants on Travel + Leisure's Top 10 List of World's Best Safari Outfitters for Sixth Time**

**DENVER, CO – July 18, 2023** – *Travel + Leisure* has named luxury safari specialist [Africa Adventure Consultants](http://www.adventuresinafrica.com) (AAC) as one of the top safari outfitters in the world, ranking fifth. This marks the sixth year Africa Adventure Consultants has made the Top 10 list over the last decade.

"We're thrilled to be included as one of the top safari outfitters in the world and so thankful for our travelers for voting for us. It's our honor to plan incredible safari experiences for our guests," shares AAC President Kent Redding.

[The Travel + Leisure World's Best Awards](#) is online now and available in the August print edition. According to Travel + Leisure, the World's Best Awards honor the top companies in the travel industry, including safari specialists, hotels, safari lodges, cities to visit and more. This is the 28<sup>th</sup> year for the awards. The best African safari tour operators were rated on staff and guides, itineraries and destinations, activities, accommodations, food, and overall value.

Africa Adventure Consultants' 13 core destinations each offer unique experiences, from exciting wildlife sightings and authentic cultural interactions to dramatic scenery and fun and adventurous activities. The company specializes in creating customized safaris for families, honeymooners, couples, friends, adventurers, wildlife enthusiasts and photographers.

"East and Southern Africa are truly special places. It's no surprise to me that so many of our travelers return and say it was the best trip they've ever taken," said Redding, who previously lived in East Africa before moving back to the US to open Africa Adventure Consultants in 2001. Since opening, the company has maintained a strong commitment to conservation and contribution, donating a portion of every guest's safari costs to worthy Africa-focused charities that help the people, animals and ecosystems in Africa.
