### **Africa Adventure Consultants #3 on *Travel + Leisure's* Top 10 List of World's Best Safari Outfitters 2018**

**DENVER, CO – July 13, 2018** –*Travel + Leisure* has named luxury safari specialist [Africa Adventure Consultants](http://www.adventuresinafrica.com) as one of the top safari outfitters in the world, placing third. Africa Adventure Consultants was previously named to the Top 10 list in 2016 and 2017.

“We love creating personally customized African safaris for our clients and we’re honored to be named to this list once again,” said Kent Redding, president of Africa Adventure Consultants. “Thank you to our many past guests for voting for us.”

[The Travel + Leisure World's Best Awards](http://www.travelandleisure.com/worlds-best-awards) is online now and available in the August print edition. According to Travel + Leisure, the World's Best Awards are the leading barometer of the places and companies that satisfy some of the most passionate and sophisticated travelers. The best African safari tour operators were rated on staff/guides, itineraries/destinations, activities, accommodations, food, and value.

Africa Adventure Consultants' 13 core destinations each offer unique experiences, from exciting wildlife sightings and authentic cultural interactions to dramatic scenery and fun and adventurous activities. With an eye on value, but not at the expense of quality, the company excels at keeping abreast of the newest and best options in each location and creating customized safaris for families, honeymooners, couples, friends, adventurers, wildlife enthusiasts and photographers.

“Our team members travel regularly to Africa and our whole staff loves to share our love of South and East Africa with others. We take great pride in getting to know each of our guests and creating special experiences just for them,” said Redding, who previously lived in East Africa before moving back to the US to open Africa Adventure Consultants in 2001. Since opening, the company has maintained a strong commitment to conservation and contribution, donating a portion of every guest's safari costs to worthy Africa-focused charities that help the people, animals and ecosystems in Africa.

“We love building bridges between Africa and the West so that as many visitors as possible can experience for themselves the beauty, grandeur and warm hospitality of Africa,” said Redding. “We look forward to doing this for even more travelers in the future.”
