Africa Adventure Consultants on *Travel + Leisure's* Top 10 List of World's Best Safari Outfitters for Four Consecutive Years

DENVER, CO – July 11, 2019 –*Travel + Leisure* has named luxury safari specialist [Africa Adventure Consultants](#) as one of the top safari outfitters in the world. This marks the fourth consecutive year Africa Adventure Consultants has made the Top 10 list.

“We are so grateful for the support from our clients and are very pleased at the repeated recognition of our excellence in and passion for planning unforgettable travel to Africa for our clients,” said Kent Redding, president of Africa Adventure Consultants. “Thank you to everyone who voted for making this possible.”

[The Travel + Leisure World's Best Awards](#) is online now and available in the August print edition. According to *Travel + Leisure*, the World's Best Awards are the leading barometer of the places and companies that satisfy some of the most passionate and sophisticated travelers. The best African safari tour operators were rated on staff and guides, itineraries and destinations, activities, accommodations, food, and overall value.

Africa Adventure Consultants' 13 core destinations each offer unique experiences, from exciting wildlife sightings and authentic cultural interactions to dramatic scenery and fun and adventurous activities. The company specializes in creating customized safaris for families, honeymooners, couples, friends, adventurers, wildlife enthusiasts and photographers.

“We regularly travel to Africa to stay up-to-date on the newest and best options so we can create the perfect, customized itinerary for each of our clients. Each client we work with is unique and their safari should be too,” said Redding, who previously lived in East Africa before moving back to the US to open Africa Adventure Consultants in 2001. Since opening, the company has maintained a strong commitment to conservation and contribution, donating a portion of every guest's safari costs to worthy Africa-focused charities that help the people, animals and ecosystems in Africa.
