Africa Adventure Consultants on *Travel + Leisure's* Top 10 List of World's Best Safari Outfitters for Fifth Consecutive Year

DENVER, CO – July 8, 2020 – *Travel + Leisure* has named luxury safari specialist [Africa Adventure Consultants](http://www.adventuresinafrica.com) as one of the top 10 safari outfitters in the world. This marks the fifth consecutive year Africa Adventure Consultants has made the Top 10 list.

“Thank you to our past clients who voted and made this possible. We are grateful for the support and are honored at the repeated recognition for our excellence in and passion for planning unforgettable travel to Africa for our clients,” said Kent Redding, President and Founder of Africa Adventure Consultants. “We couldn’t be happier that this year marks our fifth year on the list.”

[The Travel + Leisure World's Best Awards](http://www.travelandleisure.com/awards) is online now and available in the August print edition. According to *Travel + Leisure*, the World's Best Awards are the leading barometer of the places and companies that satisfy some of the most passionate and sophisticated travelers. The best African safari tour operators were rated on staff and guides, itineraries and destinations, activities, accommodations, food and overall value. Voting for this year's awards closed March 2, 2020, with votes reflecting travel experiences before the COVID-19 pandemic.

Africa Adventure Consultants' 13 core destinations each offer unique experiences, from exciting wildlife sightings and authentic cultural interactions to dramatic scenery and fun and adventurous activities. The company specializes in creating customized safaris for families, honeymooners, couples, friends, adventurers, wildlife enthusiasts and photographers.

“The past few months have turned the travel industry on its head. As travel begins to resume around the world, we are looking forward to bringing the unbelievable wildlife and rich culture of Africa to our travelers once again. Safaris are the perfect way to social distance and enjoy nature far from the crowds,” said Redding, who previously lived in East Africa before moving back to the US to open Africa Adventure Consultants in 2001.
